# **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS**

## **NOTICE FOR RESIDENTS OF TEXAS**

If You reside in Texas, note the following Procedures for Dental Claims will be followed:

### **Procedures for Presenting Claims for Dental Insurance Benefits**

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

### **Routine Questions on Dental Insurance Claims**

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

### **Claim Submission**

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

### **Initial Determination**

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will notify You acknowledging receipt of Your claim, commence with any investigation, and request any additional information within 15 days of receipt of Your claim.

MetLife will notify You in writing of the acceptance or rejection of Your claim within 15 business days of receipt of all information needed to process Your claim.

If MetLife cannot accept or reject Your claim within 15 business days after receipt of all information, MetLife will notify You within 15 business days stating the reason why we require an extension. If an extension is requested, We will notify You of our decision to approve or deny Your claim within 45 days. Upon notification of approval, Your claim will be paid within 5 business days.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

### **Appealing the Initial Determination**

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

## **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)**

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

# **NOTICE FOR RESIDENTS OF UTAH**

## **NOTICE TO POLICYHOLDERS**

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

### **PEOPLE ENTITLED TO COVERAGE**

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

### **POLICIES COVERED**

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

### **EXCLUSIONS AND LIMITATIONS**

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

## **NOTICE FOR RESIDENTS OF UTAH (continued)**

### **LIMITS ON AMOUNT OF COVERAGE**

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply.)
- Interest rates on some policies may be adjusted downward.

### **DISCLAIMER**

#### ***PLEASE READ CAREFULLY:***

FOR A COMPLETE DESCRIPTION OF COVERAGE, CONSULT THE UTAH CODE, TITLE 31A, CHAPTER 28.**

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

## DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-942-0854 or by visiting Our website at [www.metlife.com/dental](http://www.metlife.com/dental).

## BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

### In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

### Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible;
- any other part of the Maximum Allowed Charge for which We do not pay benefits; and
- any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

## **DENTAL INSURANCE (continued)**

### **Maximum Benefit Amounts**

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

### **Deductibles**

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services..

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

### **Alternate Benefit**

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service;
- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, we will only pay benefits for the root canal therapy.

## **DENTAL INSURANCE (continued)**

### **Orthodontic Covered Services**

Orthodontic treatment generally consists of initial placement of an appliance and periodic follow-up visits.

The benefit payable for the initial placement will not exceed 20% of the Maximum Benefit Amount for Orthodontia

The benefit payable for the periodic follow-up visits will be payable on a quarterly basis during the course of the orthodontic treatment if:

- Dental Insurance is in effect for the person receiving the orthodontic treatment; and
- Proof is given to Us that the orthodontic treatment is continuing.

### **Benefits for Orthodontic Services Begun Prior to this Dental Insurance**

If the initial placement was made prior to this Dental Insurance being in effect, the benefit payable will be reduced by the portion attributable to the initial placement.

If the periodic follow-up visits commenced prior to this Dental Insurance being in effect:

- the number of months for which benefits are payable will be reduced by the number of months of treatment performed before this Dental Insurance was in effect; and
- the total amount of the benefit payable for the periodic visits will be reduced proportionately.

### **Pretreatment Estimate of Benefits**

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

### **Benefits We Will Pay After Insurance Ends**

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a prosthetic device if:

- the Dentist prepared the abutment teeth or made impressions before Your insurance ends; and
- the device is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your insurance ends; and
- the Cast Restoration is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for completion of root canal therapy if:

## DENTAL INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

### DEFINITIONS

In this section, the terms set forth below have the following meanings:

**Allowable Expense** means a necessary dental expense for which both of the following are true:

- a covered person must pay it; and
- it is at least partly covered by one or more of the Plans that provide benefits to the covered person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred), such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

**The term does not include:**

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
  - second surgical opinions;
  - pre-certification of services;
  - use of providers in a Plan's network of providers; or
  - any other similar provisions.

We won't use this provision to refuse to pay benefits because an HMO member has elected to have dental services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

**Claim Determination Period** means a period that starts on any January 1 and ends on the next December 31. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

**Custodial Parent** means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

**HMO** means a Health Maintenance Organization or Dental Health Maintenance Organization.

**Job-Related Injury or Sickness** means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

## **DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)**

**Parent** means a person who covers a child as a dependent under a Plan.

**Plan** means any of the following, if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- motor vehicle No Fault coverage, if the coverage is issued outside of Virginia and required by law; and
- any other coverage required or provided by any law or any governmental program, except Medicaid.

**The term does not include any of the following:**

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- liability insurance to the extent You or Your Dependent recover expenses from a third party as a result of that third parties negligence.
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan, which limit benefits based on benefits or services provided under:

- Government Plans; or
- Plans which the Policyholder (or an affiliate) contributes to or sponsors;

will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

**This Plan** means the dental benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under government plans, or plans which the Policyholder (or an affiliate) contributes to or sponsors.

**Primary Plan** means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

**Secondary Plan** means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

### RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below, which will allow Us to determine which Plan is Primary, is the rule that We will use.

**Dependent or Non-Dependent:** A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee);

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

**Child Covered Under More Than One Plan – Court Decree:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary, if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

**Child Covered Under More Than One Plan – The Birthday Rule:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

**Child Covered Under More than One Plan – Custodial Parent:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then

## **DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)**

- the Plan of the spouse of the non-custodial Parent.

**Active or Inactive Employee:** A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

**Continuation Coverage:** The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

**Longer/Shorter Time Covered:** If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

**No Rules Apply:** If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

### **EFFECT ON BENEFITS OF THIS PLAN**

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits, plus all benefits payable for such Allowable Expenses under all other Plans, will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

### **RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION**

We need certain information to apply the Coordination of Benefits rules. We have the right to decide which facts We need. We may get facts from or give them to any other organization or person. We do not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

### **FACILITY OF PAYMENT**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

## **DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)**

### **RIGHT OF RECOVERY**

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

## FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-800-942-0854. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

### CLAIMS FOR DENTAL INSURANCE BENEFITS

**When a claimant files a claim for Dental Insurance benefits described in this certificate**, both the notice of claim and the required Proof should be sent to Us within 90 days of the date of a loss.

Claim and Proof may be given to Us by following the steps set forth below:

#### **Step 1**

A claimant can request a claim form by calling Us at 1-800-942-0854.

#### **Step 2**

We will send a claim form to the claimant within 15 days of the request. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

#### **Step 3**

When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

#### **Step 4**

The claimant must give Us Proof not later than 90 days after the date of the loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

**Time Limit on Legal Actions.** A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

# DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

## Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Policyholder who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

## Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

## Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

## Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of Plan. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

## Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Member
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

## **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)**

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

## **GENERAL PROVISIONS**

### **Assignment**

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

Upon receipt of a Covered Service, You may assign Dental Insurance benefits to the Dentist providing such service.

### **Dental Insurance: Who We Will Pay**

If You assign payment of Dental Insurance benefits to Your or Your Dependent's Dentist, We will pay benefits directly to the Dentist. Otherwise, We will pay Dental Insurance benefits to You.

### **Entire Contract**

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Policyholder's application, attached to the Group Policy; and
3. any amendments and/or endorsements to the Group Policy.

### **Incontestability: Statements Made by You**

Any statement made by You will be considered a representation and not a warranty.

Evidence of insurability will not be required nor will any statement made by You, which relates to insurability, be used:

1. to contest the validity of the insurance benefits; or
2. to reduce the insurance benefits.

### **Conformity with Law**

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

### **Overpayments**

#### **Recovery of Dental Insurance Overpayments**

We have the right to recover any amount that We determine to be an overpayment, whether for services received by You or Your Dependents.

An overpayment occurs if We determine that:

- the total amount paid by Us on a claim for Dental Insurance is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us.

## **GENERAL PROVISIONS (continued)**

### **How We Recover Overpayments**

We may recover the overpayment from You by:

- stopping or reducing any future benefits payable for Dental Insurance;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

## **Uniformed Services Employment And Reemployment Rights Act**

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

### **Continuation of Group Dental Insurance:**

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.
